Status Request

Sir: This application was filed 22 January 2004 as a National filing based on International Application PCT/US02/23360; a courtesy copy of the published PCT application was included. On 24 January 2004 a first Preliminary amendment was filed with amended replacement claims 1-20 and a minor amendment to the specification.

A Notice of Missing Parts was mailed 27 April 2004, and response was filed 19 May 2004. A second Preliminary amendment, setting forth the priority claim in the application, was filed 23 June 2004. An updated Filing Receipt was mailed 7 June 2004. The International Preliminary Search Report was transmitted to the International Bureau for communication to the selected offices (including the US) on 21 May 2004, and should have reached the USPTO over a year ago.

As of this date no Office Action has been received. Please inform the undersigned when an Action on the merits should be expected.

Respectfully submitted,

Joseph G. Nauman
